“ *Jo absolutely loved this picture. Painted by art student Kaitlyn Bartlett 2018. Thought it would be good to share here. The house where everyone is welcome and overfed.*

“ *On behalf of the Comfort family and Osseo Church, we send our sympathies and prayers. Jo and her mother were a vital part of the Osseo Church for many years. Always faithful, always super sweet, always had a smile. She served in many different capacities. From door greeting, VBS, nursery to helping to provide food for funerals. Jo also had a beautiful voice and used it well to bless congregants. Jo was famous for her cooking and her treats. Our son Matt loved her peanut butter-Rice Crispy bars. She was part of the generation at Osseo Church that made people feel so very welcome, including my family.  
May she receive her glorious reward in heaven and be near to her precious Lord who she sang about many times.*
