“ *Joan was one of my favorite patients. We often talked about golf. She will be missed. She was classy and always a pleasure to have in the office. Thoughts and prayers to the family.*

“ One of my favorite memories of Joannie was her knocking on the back door of our condo, which connected to her condo and saying surprise, I just made brownies! Her world famous brownies that Don and I loved so much. We also often shared a cup of tea and a long distance phone call over the years. I will miss her so much. My love to you all, Pat Patterson

Steve, Darcie and family.
The lady and I mean real lady with the brightest smile and radiance of a star has gone to be with her main loves, your dad and the Lord.
I'm so grateful to have known Joan, and Urban too.
So many good times on the golf courses.
Wish I could be at the service but will be on my way back to AZ,
Sending prayers with a big hug, Jan Smith
