“Joan was a wonderful sister. As an older sister, she was my standard of excellence. She was a good woman. She lives in my mind and heart.

“Where to begin? We have so many fond memories and fun stories about Joan (and Ted, of course) and cannot possibly share all. But one sticks out: we were invited for dinner at the Wiebers. The table was beautifully set and in the middle stood a sparkling crystal vase with a... head of Romaine lettuce in the water. There were other guests and we all pondered how to eat the lettuce. Then Joan offered: "I had the choice of making a salad or a Margarita with Ted, you guys lost". We loved you dearly, Joan, and will always miss you.

“Joan was my first sister-in-law and the love of my brother Ted's life. Because that always lived a good distance away from us, visits to their house were always so special and fun-filled! Joan was always so generous of her time and her laugh was contagious. We will miss her.

“ Joan was a wonderful caring and welcoming lady. Her door was always open and she truly cared and wanted to know what you were up to. I will miss her laugh and smiling face. We loved visits with them in CA, St. Louis, and MN. Our thoughts and prayers are with you. We will miss her and think of her often.
