“ Aunt Joann was a very special, fun lady. She had a great sense of humor (she had to with all the boys, ha!). She was always very welcoming to me on many of my college weekends. She will always hold a very special place in my heart. We love you Joann!

“ JoAnn was a very special sister-in-law to me. I used to be a tagalong when she was married to my brother Tom. Memories are securely kept in my heart.
She may be unseen or unheard but those we love don't go away..they walk beside us everyday. I pray that in your time of sorrow you will find comfort under God's loving hand.
Love you JoAnn

I have great childhood memories of JoAnn. Living down the street, the Borowicz home was a second home to many of us young guys. JoAnn made everyone feel welcome, fed us, kept us in line, and also gave us space to be boys. Thanks for all the memories, JoAnn. Love to you and your family. Jim Gould

I remember going to her house with my mom, brothers and sister when we were young. I have many fond memories. Time goes too fast I will pray that you find peace through your pain.
