“ JoAnn was a very dear friend and co-worker of my parents, Norris and Ruth Nelson. JoAnn was a faithful Administrator for the former NTI School of CAD Technology for many, many years. She was such a good worker, and so very loyal. I remember hearing the typewriter flying with how she could tap out documents so fast, I couldn't believe it! JoAnn and Jerry were truly special to my parents. (Both Norris, in 2016, and Ruth in 2019 passed). The Lord put JoAnn on my heart a little while ago, and today, I decided to look her up on Google. I did not realize I just missed connecting with her. Our deepest sympathy to Jerry and the family. May you be comforted during this time. Sincerely, Chip and Gail (Nelson) Lyon
