“*Joanne was such a lovely lady! I have a lot of great memories spent with her and her family, starting back in my high school days. Joanne and Aaron welcomed me into their fold when I was dating Mike. That's a long time ago now, but she made a great impression on me. I last saw her on Feb 14, 2020 right before COVID really hit, when I shared lunch with her at Friendship Village. She was her same bubbly, happy self. Sending hugs and sympathy to her family.*
