

Joanne Rogers

February 17, 1956 - August 23, 2025

Joanne Rogers, 69, of Eden Prairie, Minnesota, passed away on August 23, 2025. Born on February 17, 1956.

Joanne was a radiant soul who gave more than she took, lighting up every room with her infectious smile and boundless kindness. Her warmth and generosity left an indelible mark on everyone she met.

Joanne excelled in her career in compliance at Charles Schwab and LPL Financial, where her integrity and dedication earned her deep respect. Her true joy, however, came from life's simple pleasures. She was the best chef a husband could hope for, delighting everyone with her cooking, which she shared generously and often. Above all, she cherished her two beloved puppies, Freya, her little girl, and Jaxon, her little boy, who were her true loves and constant companions, filling her days with love and laughter.

Joanne was preceded in death by her father, Charles Rogers. She is survived by her devoted husband, Rick Mueller; her loving stepmom, Gloria Jean Rogers; and her cherished, siblings, Faith (Albert) Gonzales, Barbara (Doug) Squires, Charles (Deborah) Burton, and Leslie (Steve) Rogers. She also leaves behind her beloved niece, Sarah (Chris) Mizner; nephews, Luciano Gonzales, Albert Gonzales, and Charlie Rogers; grandnephews, Christopher Mizner and Charles Leo Rogers; and grandnieces, Jaidyn Mizner and Peyton

Mizner.

Her family, friends, and her dear Freya and Jaxon will forever hold her memory close. In accordance with her wishes, Joanne will be laid to rest next to her father, Charles Rogers, in Mississippi. Details of a memorial service will be shared with family and friends at a later date. In lieu of flowers, donations in Joanne's memory may be made to Tunnels To Towers.

“ I did Joanne’s hair for years. I feel so lucky to have gotten to know her and all her stories. She shared the best recipes and was always so friendly to everyone. She truly fought with everything she had and was one of the strongest women I knew. I will miss our talks every month!

“ I was Joanne’s esthetician and enjoyed so many conversations over the years with her. I have found myself wanting to text her “funnies” and recipes since she passed. She was such a kind woman, always brightened my day. I will always think of her when I make some of her recipes my family has grown to love, especially the meatballs! She always shared special memories and photos of her family so proudly. I’m sorry you lost such a gem. She made an impact in my life, and I am grateful I got to know her! Praying for you all as you mourn her loss. Until you meet again!!! Alicia

“ *For My Sister*

*A sister's love, a bond of years,
A confidant through joys and tears.
My first best friend, a guiding light,
Now vanished from my world and sight.
The path ahead feels cold and lone,
A silence where your voice was known.
Each memory, a precious stone,
A wealth of moments, all my own.
I'll look for you in gentle rain,
In whispers of the wind's refrain.
Though grief may bring a heart of pain,
Your spirit will forever remain.
You may not be here in the flesh,
But in my heart, your love is fresh.
A tapestry of moments, blessed,
In memory, you will always rest.
I'll cherish all the days we knew,
The laughter, dreams, and comfort too.
And though I walk this life without you,
My love for you will see me through.*

“ My sincere condolences to Joanne's family. I was shocked and saddened to hear of her passing. Our friendship goes way back several years to the mid 70s. We went to school together, grew up around each other, enjoyed our teenage years in the small west Tennessee town of Dyersburg. We were friends but had lost contact for many years and just recently connected through social media. We shared many conversations and laughs these last few years, I'll miss our conversations and the funny stories. Rest in peace my dear friend.

“ Joanne was a dear friend and coworker from Ameriprise Financial. She told me of meeting the love of her life Rick and we shared the love of HGTV. She came to visit me when I was on bedrest and was there when I was told I needed an emergency c section. That was almost 18 years ago. We met for coffee a couple years back and had laughed like no time had passed. She was a beautiful soul and I am so sad we are unable to tell her how much I admired her. Rest in peace my beautiful friend!

“*Joanne was the most caring, giving, selfless friend a person could ask for. I admire her grace and strength the last few years as she fought her cancer battle. She led by example. She loved her husband Rick and family dearly, her eyes lighting up when she spoke of them. Her puppies were so precious to her. It's difficult to know what to say at a time like this but Rick please know you are in my thoughts and prayers - she will be missed so very much. I learned so much from her and will treasure her friendship as she remains close in my heart.*

“*Oh my! I was so shocked to hear of Joanne's passing. I worked with Joanne at Schwab and she became a dear friend. I haven't spoken to her in years, however thought of her often. She was so good at her job and an even better person. God speed to her family. She spoke of them often and I know her passing leaves a hole in their hearts. I hope their memories of her will provide them comfort.* ❤️
