

Joanne D. Wolff

October 15, 2012

Wolff, Joanne (Draughon) Age 83, of Edina and Ft. Myers, FL, passed away October 15th, 2012 surrounded by the love of her family. Preceded in death by parents, Hamlet and Margaret Draughon. Survived by husband of 61 years, Lee; daughter, Carol (Joe) Burke; sons, Steve (Mary), Dan and Rob; grandchildren, Lindsay, Charlie, David, Ellie, Danny, Jack and Tommy; sister, Carol (Mal) Breckenridge. Jo graduated from Washington University in St. Louis in 1951 and married Lee the same year. She raised three sons and a daughter in a house she designed on Lake Lucy near Chanhassen. Prior to moving to Ft. Myers in 1999, Jo was a realtor in Edina for many years. She and Lee were partners in everything, enjoying golf, tennis and traveling the world together. Jo loved the spirit of competition: she was a champion amateur golfer and tennis player, loved her frequent Mahjong tournaments and playing games online with her children and grandchildren. She won her final competition by bravely returning home from Florida to spend her last few days with her family. Memorial service 12 p.m. Friday, October 19th at Washburn-McReavy's Edina Chapel, 5000 West 50th St., Edina, MN (952-920-3996). Visitation one hour prior. Contributions in Joanne's memory may be made to the American Cancer Society, Salvation Army, and Fairview Hospice.
