“ Dear Kay, Karen and Kathy, I attended your Mother's virtual service today and want you to know how much it meant to me to see the pictures, hear the stories and reflect on your Mother's life. Jo was an extraordinary person in so many ways and lived a long and vigorous life. Great family woman, career woman and truly enjoyed her retirement years. I am glad to have known her, albeit not as well as many did. I had many happy times with Ken and Vivien as you know and remember our times together at their house.

I want you to know what a positive presence the Pream family was to me and how I still value these relationships even from afar in Florida.

My condolences to you and your family, Sincerely, Kim Roden

“ *What a long and meaningful life to celebrate! My condolences to the cousins and their families at this rough time. As a young child, I was blessed to have the fun uncles and aunts in my Dad's family who always made Tom and I feel we still belonged to the Pream clan! Thankfully, that connection continued as we grew up and was especially strong when they would travel to Laramie to see Les and Karen and the grand kids. Love and prayers to all of you. Hope to join in on Wednesday. Cousin Char*

I was unaware of Jo's passing until just recently. Larry and I played cards with them and two other couples for a very long time. We would meet once a month and take turns hosting. Oh, the fun we had and the laughter that filled that room. she was a very special person and I loved everything about her. Rest In Peace dear Jo. Bonnie and Larry Cassem
