“ *Mr. Adie was the assistant principal at my middle school in 1981 and he was so kind, sitting with me at lunch so that I wouldn't be bullied. I am sincerely sorry for your loss.*

“ *My deepest sympathy for your loss. John was a friend of mine during our New York tenure, and we were carpooling buddies. We was truly a fine man who loved his family. He shared many stories of your young children's moments during our long commutes. Our daughter, Renee was a babysitter for your children on a number of occasions and she shares my sentiments.*

Sincerely,
