“ Jack was deeply loved and will be truly missed! I know he is now feeling whole and complete now that he is home with his beautiful and doting wife Maxine. For what seemed like a lifetime without her was really just a moment until they were reunited once more. For words can't express how loving and caring they both were. Jack was intimidating looking, yet his spirit was as soft and as gentle like a newborn baby. Jack was quick witted and his wit left you in stitches and his stories left you wanting more.

John in Hebrew name ????????, Yô?anan which means "Graced by YHWH".

He lived true up to his name "YHWH has been gracious and YAHWEH is gracious" meaning God has been and is Gracious and has shown favor. God truly favored Jack, and in turn Jack was very gracious is whole life. He was always ready at a moments notice to lend a helping hand no questions asked. You didn't even have to ask for help, if he saw you in need, he was there!

Jack was a true leader; you never heard him talk...he showed us everyday what a great leader is and was.

For his great leadership will live on through his children and their childrens children. For he was truly blessed, deeply loved and highly favored....And we were all deeply honored just to have known him!
