“ I remember going to restaurants with gpa john and he would sneak the silverware into my coat pocket then when we got outside he would say "ole u stole the silverware again!". He would laugh. Geez being only 10 I thought I was guna get arrested. He did this many times. I look back now and laugh. I love u gpa. Alyssa (ole). Mom loves u too!

“ Please accept my condolences at this most difficult time. You may feel that death ends it all, or that there is no solution. There is a solution, the earthly Resurrection that almighty God will carry out by means of his son Christ Jesus. John 11:25
