Tribute Wall

“ *My heart goes out to all of the Buchmann family. I want you to know that the faith of your family has been an inspiration to me. Jean, you went out of your way in kindness to me. I treasure the day in which you and I met again in the crowd of thousands at Notre Dame. God will get all of you through this. In His sufferings He is closest to us at times like this. My prayers are with you always.*

“ *I haven't seen John since high school. He was always a very friendly and kind person to know. I played football with John and always remembered his positive outlook on life. When we heard of his passing I was filled with sadness for his wife and kids. I know that if he had heard of my passing he would have reached out to help. That's the John I knew. It is hard at our age to bury a class mate. The world has lost a true gift. He will always live on because of the kindness he showed. Rest easy #78 you will not be forgotten.*

“ *I haven't seen John since high school and even during HS we weren't the closest of friends. John played football at TG and so us seniors were a pretty close group at one time. From what I remember was John being such a quiet guy. Never screaming or yelling, never cursing at someone or putting someone down. He was just an overall good guy. Smart as can be and still out there busting heads like the rest of us dummies on those Fall Friday nights. Talking with some guys from that senior class, we are all heartbroken about John. We were a family back in the day and its always difficult to lose a brother. My condolences to Amy and the kids and all of the Buchmann/Leba family. RIP #78.*
