“ Susan and family

I was so sorry to hear of John's death. Dick and I have great memories of the Gopher tailgate parties with you, John and Audrey. Brought back our days in Iowa!!!

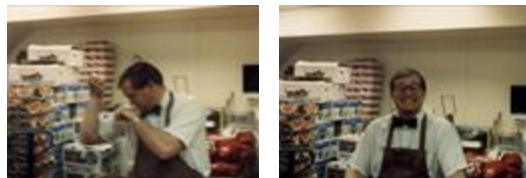

I had a a good conversation with your mom this morning. We are in California til April or we would be there to hug you on Saturday 🤗🤗. Our thoughts and prayers are with you during your grief journey.

“*John was my assistant produce manager at St Louis Park Byerly's back during the mid '90's. He was a joy to work with and always made me laugh. To this day it was the best produce crew I've ever worked with and John was a great contributor that made my job all the more fun. Thank you for some great times John, you'll be missed. I wanted to give you an illustration I once drew of our stock crew. John is pictured on the bottom left second in the row with dark glasses on.*”
