“ I would like to pass on our sincere condolences to Joan and the family.

*We first got to know Jack and Joan when we moved next to them on Lake Minnie Belle. When we first moved on the lake we did not know much about owning a lake place. So it was great to have Jack there to lend a hand and advice! For those of us that know Jack on the lake, we all have marveled how he (and now the boys) kept the cabin in such a beautiful state. Jack definitely set the bar high and we will continue to strive to keep that standard.*

*We will miss his energy, passion and all the the laughs we had*

*We will miss him dearly!*
