“ I really appreciated John's warm smile and how he called you kiddo when you were having a conversation with him. A person may not always remember what was said in a conversation, but most always will remember how that person made you feel. John had that gift of making you feel happy inside, by the way he spoke to you. John will truly be missed by all his Delta family. My heartfelt sympathies go to his family.

“ It's been 2 years since I've been in reservations, but I can still see his smiling face and hear him say hey kiddo like it was yesterday. He was one of the kindest and funniest men I've known. Sending thoughts and prayers to his family he was very proud of you all and told us of your many accomplishments and fun stories - we enjoyed his wit and wisdom, he will be missed by all.
