

## John Mikel Ehritt

April 6, 1988 - April 6, 2018

Our most beloved John, age 30, passed away on the morning of his birthday April 6, 2018. John was a delightful son, brother, cousin and friend to many. He was an excellent and hard-working painter for Northern Painting of North Hudson, WI and also employed by Quality Cut Lawn Care. John loved to have fun hanging out with his friends and family in a variety of ways from body building to golfing. He could often be found singing and dancing around the house or out on the dance floor, pulling tabs, getting a new tattoo, reading, playing a pick-up hockey game at Christmas, cheering on the Vikes, boating on the Croix, shopping, pumping at the gym, playing games, cooking his signature meal, or grabbing another burrito at Chipotle. He was crazy about shoes, watches and getting the right haircut. He thought himself a cat-whisperer. John was warm hearted to all and supportive of others in their recovery paths. We will forever miss the light of his laughter and smile. Survived by Theresa and Scott Staffon, mother and step-father; Christopher Ehritt, father; and Maria Ehritt, sister. Grandparents Richard and Marilyn Bellefeuille, Marna Bellefeuille, Annette and Allen Otte; Brittney Miller, love of his life, and many amazing aunts, uncles, and cousins. In Heaven, John joins his cousin Jedd Harms, Aunt Virginia Konves, grand-father John Ehritt, friends Ricky Jaros, Ben Wallerius, and Eric Kidder; and all those who have tragically lost their lives to the opioid epidemic. Visitation will be held Saturday April 14, 11AM-1PM with funeral service at 1PM at Nativity Lutheran Church, 3312 Silver Lake Rd NE. St Anthony (Mpls), MN. Memorials preferred to Higher

Ground Saint Paul Homeless Shelter, 435 Dorothy Day Place St Paul, MN.

“ I am still so heartbroken over this news of Johnny passing, there are not alot of words to say, but I am so so sorry for your loss....as parents we should not have to go through this in life and since we have to our life changes forever, we just learn to live with it. Johnny was like a son to our family he loved life and was so happy and make sure he looked good, just like our son Ben did, they were 2 peas in a pod...one song I remember forever is (Stacys mom has it going on) well Johnny said to me that song is not right it is Benny's mom has it going on.....and that is how he would sing it and we would all laugh.....rest in piece and take care of Ben up there, you are a beautiful angel now so shine down on us....

“ *John was the first person to welcome us to the neighborhood when we moved into our house 22 years ago. He made our son feel at home and taught him to ride a bike. I was and still am amazed at how patient, friendly and generous he was to our family. The world is a lesser place with him gone. Rest in peace, neighbor.* ”

“ *What to say about John? Gosh just so much humor in my memories of John. Guess what stands out the most was how CUTE he was as a baby. I always told him, you were the cutest baby I ever saw. Then I had my own baby, and he slipped to number 2. Then I had another, and another, so his ranking slid a bit to fourth cutest baby. But I never failed to tell him, almost every time I saw him he was the fourth cutest baby ever! Must have been the dimples. Will miss his smile and laugh forever. I love you John Mikel, aka Dude, aka Dudesly. May you Rest In Peace and know that you are special and you are loved.*

“ John, you were so special to me in the short time we knew each other! You had a light and energy that could brighten the darkest of days! I will be forever jealous of those who got to spend more time with you! The world isn't as bright without your giggle and smile, but you've ledt a lasting memory on this temporary place! Rest In Peace, sweet John.

“ John had the most contagious laugh! We spent many long working hours together and shared many humorous and serious conversations about life that I will never forget! As many of you know John's eating habits left a lasting aroma in my truck. Thank you for being in my life and the memories John. I wish you Freedom. -Rick Hall
