“ Jack was a colleague of mine(Lew) at UNIVAC/UNISYS. When we retired we golfed together along with two other UNISYS retirees and we took several out of town golf junkets together. Jack enjoyed hosting many partys at his house in Shoreview. His favorite phone answering comment was "the weather is always beatiful in shoreview" or sometning like that. We'll all miss his interests in lifes activities and as a true friend.
