“ Dearest Family,
We are so very sorry to hear of the loss of your dad. What an awesome guy and such a sweet person. Please know that we are thinking of you all at this difficult time. Just remember that he is in a better place and he is with the love of his life, your mom. Our parents are now swapping Nevis and Ft. Myers Beach stories. May your fond and wonderful memories help you through this difficult time. Love, Tami Rohn Utterback and Family

“ *What moves through us is a silence, a quiet sadness, a longing for one more day, one more word, one more touch. We may not understand why a loved one left this earth so soon, or they left before we were ready to say good-bye, but little by little, we begin to remember not just that they died, but that they lived. Your Dad gave you memories too beautiful to forget.*
