“ John kept our office in tip top shape during his long tenure as engineer at the Crown Roller Mill building. He was always ready to help out with whatever came up around the building and willing to pass on expertise and advice on any number of things. Staff at LSE architects are very sad to hear of his passing.

“ Katrina and Shawna what can I say to ease your pain. I love you both so much and am so sorry for the loss of your dad. I know you both love him so much and he was the best dad to both of you. I saw such pride in his eyes at both of your weddings, he truly loved you girls. He left this world way too early but know he will be watching down on you. Treasure your memories, they will get you thru the pain. When you need a shoulder to cry on, I am here for you! Love from your mama Karen❤️
