“ *Mafalda and Johnny were always in my life from when I was little they were generational family friends that became family way before I was born, and I am in my late 40's, Johnny was my Godmother's godfather. Mafalda and I shared a birthday. I miss them both and am very sorry to hear of Johnny's passing. He was a kind and wonderful man.*

“ *My Godfather Johnny was a very Special Man. He was kind, caring, generous and personable. He always had a story to tell and could always make you laugh. He was a life long friend to my mother! As my Godfather he was there for me at birth and every special moment of my life including all the holidays and birthdays we spent together. I am glad he had these final years in Minnesota with all his cousins, going on many trips and sharing occasions with them. He loved decorating his Christmas tree and setting up the trains around it each year in Richmond Hill. He loved his house in Richmond Hill but he also was really enjoying his relocation to Minnesota! He will be greatly missed by myself, my sons and all my siblings. Rest in Peace Johnny!*
