

John Lawler Green

September 12, 1954 - August 5, 2024

Diet coke lost its most loyal consumer on Monday, August 5th, 2024.

St. Paul native John "Kebby" Green, born September 12th, 1954, unexpectedly escaped this world at the age of 69.

He leaves behind 3 children, 7 grandchildren, 4 sisters, 2 brothers, loyal friend Joe Card, and many other life-long friends from high school.

John volunteered to serve in the United States Navy in the early 1970's. He quickly realized he didn't enjoy being bossed around and after his Honorable Discharge he worked for the railroad.

He was an unfiltered free spirit, frugal beyond necessity, and a friend to most.

He is now stress free and at peace. His knowing ready smile, and stuttering laugh will not be forgotten.

Services will be held at Washburn-Mcreavy Shoreview Funeral Chapel on August 14th; interment will be at Ft. Snelling National Cemetery on August 15th.

Throughout childhood, I always wanted to be like John. He was a wild and free-spirited soul. He was always someone who I looked up to. Now, again, I look up to see him.

He was my brother and will forever be missed...

My little brother, Kebby-John, had a hard road but he walked it as he saw fit. He was loved, cared for and will always be remembered with a smile. Rest in peace, my brother. You've earned it.

I will miss coming into work and not having him sitting in the front entry joking with me about opening the door with my key, I would then gesture him to get up and open the door. There me always saying "Good morning Johnny". It would be a great start to my day. Seeing him in his tuxedo t-shirt and singing going to the chapel. He would be joking around through out the day and his smile and sense of humor will be missed. Encouraging him to walk daily would come and go, the times he did I always walked with him and talked about Shannon whom he adored and bragged about.
