

John Grogan

August 27, 2006

Grogan, John Kimball After courageously facing several years of complications from diabetes, Jack was peacefully freed August 23, 2006 at the age of 87. He was born in Minneapolis on April 12, 1919 and during his lifetime resided in Richfield, Edina and most recently at Parkwood Shores in St. Louis Park. Jack was honorably discharged as a Major in the U.S. Air Force and retired in 1974 from a life long career at the First National Bank of Minneapolis as Sr. Vice President of Commercial Lending. During his career he volunteered with various organizations such as Junior Achievement, Kiwanis Club and United Way. As a voracious reader with a keen passion for learning, Jack then attended the University of Minnesota for many years pursuing interests in philosophy, literature, psychology and religion. Over the years he also cherished his times with friends golfing and playing cards at Minnesota Valley, Hazeltine and Minikahda. Jack enjoyed 63 years of marriage with his devoted wife, Evelyn, and was blessed with two daughters, Patti and Tracy and their spouses, Gene Summers and Bruce Mooty. He adored and will be lovingly remembered by his five grandchildren, Michelle, Connor, Katie, Alison and Megan, all of whom have an eternal supply of their Grandpa's love and gum! Jack was preceded in death by his parents, John and Margaret, and his brother, Tom. He is survived by his brother, Jim, whose special support in Jack's final years was deeply appreciated. Jack had a great love of animals, particularly daschunds, and in lieu of flowers requested memorials to the Animal Humane Society. The family would also welcome

memorials to the National Alliance for the Mentally Ill. We would like to extend our thanks to the staff at Parkwood for their compassionate care. A private memorial service will be held. Washburn-McReavy Edina Chapel 952-920-3996
