“ Jack was a presence in my life from 1976- until the day he passed away. I will always cherish the last two visits I had with him (and Carmen). His large personality, passion and vigor will always strongly remain in my memory. We shared so many wonderful discussions/debates, and he even gave my my first wine tasting lesson in 1985. Carmen and he welcomed me into their home in the summer of 1985 and they were a huge part of my life. I will miss him so much, as will my entire family. My deepest sympathy is sent to Eric, Kurt and our dear Carmen.
