

## John Irvin Hines, III.

June 5, 1970 - November 15, 2022

John Hines, 52, of Hopkins, sadly left us on November 15th following a two year battle with prostate cancer. John was known for his zest for life and his love of people. He particularly loved music with a degree in audio engineering, a career in audio/video, and a desire to see every concert possible especially if any members of the Grateful Dead were involved. He particularly loved traveling to shows with friends. John was happiest when surrounded by people and known for being willing to do anything for his friends and loved ones. His favorite day of the year was the 4th of July when he could gather with a large group of friends and family.

John is survived by his wife Kathy, son Jack, brother Kim, nephews Jackson and Calen (Marina), niece Pamela, and grandniece and grandnephew Umayyah and Ayyub. A service will be held in John's honor on Friday November 25th at Hopkins Washburn-McReavy at 2:00 pm with visitation preceding at 1:00 pm and a reception to follow.

If you would like to make a memorial donation in John's honor, please consider ResourceWest of Hopkins as a charity John liked to support.

“ I didn't get to see John very often but always looked forward to seeing him when I came to town, he always had a positive vibe around him... In the words of Jerry "There is a road, no simple highway, between the dawn and dark of night, and if you go, no one may follow, that path is for your steps alone." Ripple the waters my friend, Godspeed!
