

John William Hughes

September 4, 2015

Hughes, John William John died on September 4, 2015 at age 73. There is no picture because his favorite pose of his posterior would not be allowed to run in the paper. The bereft include the "fruit of his loins," as he was fond of saying, Tracy Rognrud, Scott Hughes (Kim Cossack), and Taylor Hughes, grandkids Emily and Mitchell Rognrud, as well as cousins, the ex, Jody Hughes, her family and many friends. John had an irreverent sense of humor and a non-traditional view of life. So why should his death be any different? Instead of a funeral, a "Harley Hog Celebration of Life" pig roast will be held on Saturday, Sept. 26, 2015, from 1-5 p.m. at Moir Park, 104th St. & Morgan Ave. South in Bloomington. He will be looking down at this celebration with laughter and pride. His ashes will be scattered by the kids at locations they feel are either appropriate or inappropriate.
