“ I have no words that can truly relay the loss we feel. John was such a huge part of our lives when we were all living in Briardale ...the parties where he was the first one asleep in the chair. We always said our party was a success when “Big John fell asleep”. Those memories will be with us forever. RIP dear John and be sure to give Carol a hug from all of us.

Our deepest sympathy to Kristy and Tracy. Your dad was such a special and wonderful person and friend. So glad we were able to visit with him last fall. Find peace in knowing that he is no longer in any pain and has been reunited with his beautiful wife and his one true love, Carol.

“ He will be SO missed here at Edgewood. His smile lit up the room and had the BEST hugs ever! I called him my big teddy bear. I know he is up there watching over us and he is home with his beautiful bride. We were so blessed to have him a part of our family here at Edgewood. Hugs to all of you.
