

## John Howard Krohn

December 26, 1936 - February 16, 2025

died on February 16, 2025 from Alzheimer's.

A lifelong Minnesotan, with 2.5 years in Norfolk, VA serving in the Navy, John received his undergraduate and law degree from the UofM. He practiced law for 15 years, 11 at Lutheran Brotherhood, leaving in 1980 to start Krohn Management Corp., providing affordable rental housing in the Twin Cities, and retired in 2006.

John was a voracious reader, passionate history buff, incessant winker, loyal Viking and Twins fan. No family vacation was complete without visiting a historical site, with John reading every single plaque. He was known for saying "you never run out of hugs" and we will definitely miss his.

John is survived by his spouse of 47 years Shirley and their children: Justin, Joshua (Jessie), Ashley (Bob), his children from his first marriage: Jeff and Michelle, and six grandkids: Bering, Jake, Mason, Victor, Eliot, and Iver. He is preceded in death by parents Henry and Merna, and brother Robert.

Memorials to Friends of The Hennepin County Library or Alzheimer's Society. Private family funeral, public celebration of life at the end of April.
