Here is something you might want to here. The laugh as we always laughed at little jokes we always enjoyed together the love we have together the love I will have when I waves. The love that we have when I look up in the sky I will see how happy you are.it is time for my journey .God has open his arms. Don't worry about me I am fine. Think of the time we were together the love we sure. The sorrow of the pain. But remember one thing that I will be looking down at you with smiles . don't stand at my grave and weep. I amot there I am sleeping. I am a thousand winds that blows I am the sun of your life.I am the. Sunlight on ripened gain. I am the gentle autumn rain. When you here the quiet birds. In circling flight I am the soft starlight at night. Please don't cry I am here in spirit. R.I.P love Julie Diana's friend.
