“ *Marlene*

We are so sad to hear of the sudden passing of Jack. As you know I went to Lafayette with Jack and after many years we were reunited at the DTY reunions and able to spend some time at a football game ,on your boat or at the social festivities of DTD. He touched many, in many ways ,we will miss his company ,his humorous emails ,and his kindness to all he encountered.. You are always welcome to join us going forward at our events, i have enclosed a few less than flattering pictures.

*All our love
