*Sorry for the loss of John. I grew up a few houses down from him and his family. I always enjoyed John's words of wisdom and listening to Florence and her laughter. I also had fun playing with Catherine, Paula and Patrick.*

“ *I knew John when he worked at Ramsey County Human Services. He was a compassionate man who cared deeply about his clients. He fought tirelessly for AFSCME, for fairness and dignity for public employees. He truly made this world a better place. My deepest sympathy to his family.*

“ John was a unique man and the world is a lesser place with his loss. As a young woman, I was fascinated by the fact that he kept chickens and pigeons. I would help Catherine with "chores" that he would want her to do before she could go out. He listened to "Victory at Sea", an album that my father also had. He had a great sense of humor. The world will miss his presence.
