“ A true love story never ends Ever since grandma passed away a couple years ago, all grandpa would really talk about is how much "he loved, missed, and wanted more than anything to be with grandma again." And all though we are going to miss him terribly, may we look at today as the day my grandfather received his wish. If I am blessed with a love half as great as my Grandparents I will consider myself lucky. R.I.P Grandpa. Say hello to grandma from all of us.

(kayla).

Love always, Kayla, shannon, Maliea, Troy, and me dad I will never forget you.

I figured it out those last words before you passed was (I love YOU).
