“ I had the privilege to get to know John while working at IBM. The love he had for the Lord and family shown thru in his daily walk. John always had a story to tell about one of his kids and loving words for Christine. Prayers for the family as the void will be great but rejoice that he is home with his Lord and Savior.

“ *As a long time co-worker of John's, I can say that John was always joyful, as exhibited by his ever present laugh, and that he loved his family above all things. Our conversations always ended up around family and faith. Our prayers go out to Christine, the children, and John's extended family.*

“ John was a true friend who loved Jesus and his family more than anything. Every time we would chat in the yard or garage he would always have a smile on his face sharing something about Christine or one of his kids.

*It is reassuring knowing that John was a Christian and is heaven with our Lord Jesus watching over us and waiting for use to come home.*

*John will always be in our hearts and Deb and I will continue to pray for Christine and the kids daily.*
