“*Jan, I am praying for you and your family. John was such a gracious presence and I loved sharing Dallas Willard stories and teaching with him over coffee. He always evidenced a burning desire to know God intimately and to love others. May God be close to you and yours with that same love.*

“ I have known John for years, not only from a business relationship making purchases but as someone who was a friend. I did not know John was ill but he will be missed. I always enjoyed talking with him. I was always impressed by his approach to life and his attitude in everything he did. I know he will be missed by all those who knew him. Those of us who knew John at the New Hope Police Department extend our sympathies to his family. Gary Link, Chief.

“ A call from John always brightened my workday--he was unfailingly cheerful and courteous and appreciative of the work those of us at the Kustom factory did. The "old-timers" at Kustom Signals will miss him greatly.

“ My condolences to Jan & JP. I met with John, at a lunch with Ed and Jim in late March. He looked good and always maintained a positive out-look about anything. I have fond wonderful memories of the many antics we experienced as younger men and our military time together. The essence of John will be missed. May he enjoy peace everlasting for eternity. “ I am sorry to read of Johns' passing. Although our paths have not crossed for several years, we spent a lot of time in the '60s and '70s doing things as part of a larger group of friends..What I will always remember about John was a wonderful sense of humor.I can still recall a few of his one liners.My prayers will go to your family ,John.

“ John brought me to the Lord in a very simple way, by his wonderful example. My wife Val and I have treasured his and Jan's friendship for over 32 years. We will all miss him, his smile, his humor but most of all his understanding and gentleness. His courage during the past few years also shows us all how to accept pain and illness. We will surely miss him but know that he is home with the Lord. Dan and Val Hessburg

“ As one of my father's most dearest friends for over 5 decades, I got to know John as someone I could truly look up to. His love for Janet, J.P, his many friends, and Jesus Christ were something I got to experience first hand from a very young age. What a great role model I was able to have growing up. Thank you John and thank you God for making him a part of my life. God bless you!

“ *My prayers are with you Jan, JP and family. John always was grace-filled in his conversations, directing people to the One who could meet every need - his Savior Jesus Christ. John was one to give an encouraging word or offered to pray for you and he was not one to just say it. He prayed for you right then and there. Open Door has been blessed by his leadership and his wisdom. I have been blessed to call him a friend. He will be missed in countless ways. May our Father hold you close during the days ahead.*

“ I am John's friend from "down the hall" in the Eden 100 office building from 1986 to 1998. John was a good friend who I fortunately got to have lunch with a few times in the past couple of years. We talked a little about his illness and nutrition, but mainly we talked about families, old friends and radar. John knew I am an electronics nut so he surprised me about a year ago by bringing me a car trunk-full of old radar guns - which I loved! It was really thoughtful of him and very much how he was. I was looking forward to calling him for lunch one of these days, and will miss his friendship.
