“ Sorry to hear of your loss. Dr John Parod worked with me for many years at the North Clinic. He was a kind and caring individual and will be greatly missed. I loved hearing about the family, dog adventures, Virginia. He was a great role model both in the medical practice and in life. He showed me how to carry on when life gets rough.

I have been proud to know him. I am sorry that I cannot make the service. You are in my heart and prayers. Dr Joan Trowbridge
