“ My Dear Boy .....

*It has been nearly two years since you left us and commenced the transition into Heaven. You have never, ever been out of my thoughts and prayers nor will you ever be.*

*Your peaceful interventions into our lives have been a source of healing. Like your time on Earth, you have built a network in Heaven that has enabled you to reach out and touch your loved ones and friends.*

*The happiest times in my life occur when I experience ..... with certainty ..... your unmistakable presence. Thank you for looking after your dear sister Jennifer, your Dad, and me.*

*God bless you, dear and precious John. We will be together again.*

“ John,

*Its been just a few short months and I want you to know there's not a single day that goes by where we don't think about you. You are so greatly missed. Chris and I often reflect on the fond memories we have of you. We will never forget the times when the both of you would reek havoc on OakGlen, or raided Julie's house with your super soakers and stole little debbies and pepsi from her. We laugh about that all the time. You guys had such a good time doing that too. We will never forget the camping trips either. Each and every memory we have of you brings a smile to our faces. Those memories we will hold close to us forever. We truly feel blessed and so fortunate that you came into our lives. You will always hold a special place in our hearts. Tom, Jamie and Jenny, You guys are always in our thoughts and prayers. We think of you guys everyday. We admire all of you so much for the strength you have shown. We will always be thankful for the times we shared with John and all of you.*

“ When the card Tom sent graced my hand, my heart shattered in a million pieces. Not two months before, I was blessed to spend a wonderful weekend with Tracy, Tom, and John in Colorado. How quickly those moments flew by! I can only imagine what a loss this has been for you all, and Jennifer--your brother spoke of you in the highest regard. Thank you to the Petters family for all your kindness and for the life you gave your wonderful son; please know that John has made a lasting impression on us all and we will be here for you throughout your time of sorrow. Until we meet again JT...

“ *Dear John Thomas,  
Know that you are missed and that you always will be. We are in pain everyday, but we know that you are watching over us, giving us a subtle message every now and then to confirm that you have been comfortably and warmly welcomed into Heaven. You have no doubt established a network that has no limits. I don't know when we will see you again, but we will treasure the moment whenever it comes. All of the humanitarian endeavors which you so nobly imagined while on earth will become reality through the living Foundation in your name. God will continue to bless you through eternity. We close with the signature that only you will remember.

“ John, I think about you everyday. I see your smile everyday, and what I most definitely hear is your most contagious laugh!! I can remember when we were going to your tree house in 6th grade after school to us catching up like we had never spent a day apart when we would come home from college! You have touched so many people's hearts and have made such a big difference in them. To my Dear Petters and Wilcox Family I just hope you know that all of us are here for you and I know you know that we will never go a day in our lives without hearing his amazing laugh!! What an amazing person we have been blessed to have in our lives and hearts forever!!! I LOVE YOU SO MUCH JONATHAN!!!!

“ To the Petters family,  
Jenny and I were talking the other day and thought a good way to think of John at this point in time was as this. John loved to travel and go on all these amazing adventures that took him around the world. And now John has gone on another one of those adventures, but we just won't be able to see him for a little while longer than normal. He is on the best trip that we can only dream about, but some day we'll meet up with him again and he'll be there with open arms and ready to show us the ropes of heaven.  
John was surrounded by an amazing family. He was able to live his life because of his loving and giving parents and enjoy it with his sister Jennifer.  
I'm thankful for the gift of friendship and family. You are in my thoughts and prayers. Love you guys! Saara  
P.S. Thanks John for the most unforgettable summer last year. We will cherish the memories.

“ i was shocked to hear the news of johns death,i had the hounor of training john while he was studying in australia & we built a great friendship in his stay .God loves his children and would have done everything in his power to protect john. in the book of james1:17 it says every good gift and every perfect gift is from above,and comes down from the Father of lights. And i truly beleive death is not of God, as any good father He would have done everything to protect john.I do truly beleive john is in heaven,and his wonderful smile will always warm the hearts of us all as we remeber him as the champion he is.His spirt will live on forever in our hearts..

*I grew up with John and Jenny in Oak Glen. I can remember ridding my pink bike with him up and down the street. And when I moved to Colorado, he came and visited me and took me skiing for my first time. I will remember him just like that. He is looking down on us right now and will remain in our hearts wherever we go. Stay strong, Jamie, Jenny, Tom and friends.*

“ Luckily, I had the privilege to live as neighbors with John in Australia. All I can say was he was a wonderful person. Not only did he have a great outlook on life, he also had a smile that raised everyone's spirits around him. He was also generous, nice, and willing to help anyone in need. I know this from personal experience. I send my deepest regards to the Petters family, and will keep John in my prayers. I just thank God I had the opportunity to meet such a special person.

“ I had the honor of being selected by John to be his big brother when he was pledging a fraternity here at Miami. John was a humble individual who instantly gained the respect of those who were lucky enough to meet him. There probably won't be a day that passes when I won't think of John and his outgoing and caring personality. I know he will be watching over me and all of his friends forever, because that's the kind of guy John Petter's is and that's how he will always be remembered. I miss ya buddy.

Philip and I will always remember how impressed we were with John's articulate and sweet video tribute to you. In essence, he was honoring you for being a great father and friend. I always saw him around and always had fun hanging out together with all of our friends... besides being a sweet guy, i'll never forget that sparkling smile he had... I'm thankful for the chance to meet him and get to know him. That trip was even that much more special than it ever could have been... I carry that experience we all shared with John and his friends in my heart always. My prayers and thoughts are with all of his family and friends. We'll never forget him and his signature smile... “ As a part of Edina High School's class of 2001, I am one of many who had the privilege of knowing John. He was a great guy and could always make me laugh. My prayers go out to his family, friends, and all others who came into contact with him at one point or another. God Bless and remember to try and stay strong. Memories will live on forever.

“ Though I did not know your son personally, I would like to send my condolences. It is very hard to lose a loved one especially at an early age. Just try to remember all the time you were able to spend with him. Those will always be special moments. He is in a special place and just waiting for the time when you will all be together again.
