“ *John Jr:*

I was so sorry to hear about your father's death. John and I went to high school together and I was very much looking forward to catching up with John at our 50th reunion this summer. John and I spent many hours after school at the corner store, waiting for our rides where I recognized your dad had a very magnetic and fun personality. From all of John's classmates at Minnehaha Academy class of 1964, we'd like to express our sincere condolences to your family for your loss.
