

John Sheehy

April 17, 2012

Sheehy, John Patrick of Minneapolis, died unexpectedly after a brief illness on April 14, 2012. Preceded in death by his father, Robert Patrick; aunt and godmother Ruth Sheehy Finnell; and many other aunts and uncles. Survived by his wife of 32 years, Kathleen Dunn Sheehy; daughters Madeline, Ellen, Marie; mother Mae Sheehy; brothers Francis (Maureen Dunn) and James (Leah), sisters Sharmaine Wittsack (Lyle); Nythar Sheehy, Colleen Sheehy (Peter Murphy), Michelle Halle (Earl), Theresa Sheehy; father and mother-in-law Warren and Nancy Dunn; sisters-in-law Erin Dunn (Ted Wentink), and Theresa Dunn; many wonderful nieces, nephews, and cousins-"the extended Sheehy Clan." From humble beginnings, John became one of the most accomplished trial lawyers in Minnesota. John was born in Minneapolis on February 21, 1955, the fourth child of eight born to Robert Patrick and Mae Daniels Sheehy. His mother raised the children, who were all under the age of fourteen at the time of his father's premature death at age forty. After graduating from St. Louis Park High School, he earned a B.A. in history from the University of Minnesota in 1981 and a Law Degree from that school in 1984. John was managing partner at Meshbesh and Spence, where for 30 years he practiced civil and criminal law. At the age of 27, within two years of passing the bar exam, John argued a case before the U.S. Supreme Court and was so new to the law profession that the Court required a senior attorney be present when he argued against the U.S. Assistant Solicitor General. Ron Meshbesh served in that role. John loved his clients, took on the toughest

cases, and he never forgot the poor and downtrodden. He was most proud of the free work he did for people in need. Jury awards for his clients achieved unparalleled results, as he never lost a civil trial, and was one of only two lawyers in Minnesota to be twice named Lawyer of the Year by Minnesota's leading law journal. Passionate about his many interests, John enjoyed golf, fishing, antique cars, world travel, photography, books, music, and fine cooking. He loved nothing more than having family and friends gathered in his home for feasts and celebrations. He was proud of the family's roots in International Falls and Duluth, MN. John was known for his large spirit, sharp wit, charming personality, and legendary generosity. His favorite song was "No Surrender" by Bruce Springsteen. John's life was made complete by love for his family, and their love for him. He will be missed by all who knew and loved him. Many thanks to the physicians and nurses at Abbott Northwestern Hospital's Intensive Care Unit who provided such excellent and compassionate care to John, and his family, during his illness. Visitation Tuesday, April 17, 5 - 8 p.m. at Washburn-McReavy Edina Chapel, West 50th St. and Highway 100. Mass of Christian Burial at Church of the Incarnation, 3817 Pleasant Ave. S. on Wednesday, April 18 at 11:30 a.m. Interment following at Lakewood Cemetery. In lieu of flowers, the family prefers donations to Minnesota AIDS Project or Minnesota United for All Families. www.Washburn-McReavy.com Edina Chapel 952-920-3996

“ Looking for a lawyer, Jimmy and Johnny were the first ones to come to mind. I was surprised to see Johnny's obit announcement. To the Sheehy's, my deepest condolences. It's been many, many years since I've seen any of you, but I've always remembered how kind all of you were. May Johnny rest in peace.

“ To John's family: My sincere condolences for your loss of dear John. I had not seen him in years but always recall his first years with Ron and Co. A boyish smile and sort of a mischievous air. John went to Park High with my children, Cathy, Frank and Deena--at least they were with one Sheehy. I recall tutoring a Sheehy or two at Westside, is it? Sweet memories of John and his spirit for life, hopefully, will see you through this most difficult time. My sincere wish is for that.

“ I knew John in the late 70's and early '80's, when I worked with him at the U of M and Community Crime Prevention. He welcomed me into his circle of friends but somehow we lost touch over the years. He was so full of enthusiasm for life and had such a generous spirit that I can't believe he is gone so soon. Back then, he expressed a strong desire to be a lawyer so he could defend people's rights. He was equally passionate about his love for Kathleen and his desire to have family be a central part of his life. It's obvious from the many obituaries and comments that he had incredible success in both areas. I always thought our paths would cross again and I am so sorry now that they will not. Rest in peace my old friend. John Baumann

“ *I am saddened by the news of John's death. I went to high school with John, and I remember a time when I was upset and crying in the hallway. He took the time to ask what was wrong and console me; which was very unusual for a high school boy. I never forgot that, and I would embarrass him by reminding him of it when I bumped into him over the years. You know how you have those people in your life that are somehow the most important and memorable? He was one. God bless his family and friends.*

I am honored to have known John for decades. He was a superb litigator and, more important, a caring human being with a deep sense of justice for the underdog. “ I am privileged to have been included in John's world. My wife, John's sister Colleen, and my daughters Brigid and Annie, have all known John since their early childhoods. I encountered John as an adult. I was impressed with a young man who was energetic, whip-smart, and true blue. He accepted the leadership of his family and kept them all positive with his dashing derring-do and fine example. His first impulse was always to be of help. He took on whatever challenges faced him and conquered them. There was a grace about the way he envisioned a life for himself and then went on to fulfill it. We shared our marriages, home ownership, childbirths. I always felt John had my back. He took such joy in life as expressed in all his enthusiastic pursuits. I knew John in his more relaxed times. He was not one to bring his work home with him, though you could see those struggles weighed on him. I knew he was an excellent lawyer but it is heartening to hear the outpouring of tributes from so many who speak of how he changed their lives. I am very proud that my daughters' blood is mingled with a family that could produce one such as him. I know his spirit will continue to inspire us all to do our best. Peter Murphy

“ Dear Mae, Kathleen, and the entire Sheehy Clan, I remember walking into Mrs. Kloster's Good Shepherd homeroom the first day of seventh grade, seeing John Sheehy, and knowing the year was going to be fun. John was the class coyote: so smart and charming that teachers seemed to take up a personal challenge to harness his prankster spirit for their classroom. Reading about all John's accomplishments so many years later only confirms what a magical person he was. I'll keep John's bright, schoolboy face in my mind as I sit in the principal's office with my own teenage sons and I'll tell them the story of John Sheehy who put his intelligence and fearlessness to work for others in the courtroom. Colleen and Michelle, you were my sisters, Mary and Anne's, Good Shepherd friends. A long time ago—but know that our hearts are with you now as your family mourns the untimely loss of John.

“*Sheehy Family, I am deeply saddened by the loss of your beloved Son, Brother, Husband, and Father. John was an outstanding man and will truly be missed. Back in 89 at the age of 19, I was falsely accused of a crime. My family was going through some financial troubles at the time and couldn't afford a good attorney. Working within our limited budget John took my case because he grew up with my sister in-law Patsy. He didn't have to, but because of Patsy and his belief in my innocence he did. As a young man terrified of what could be, he made sure I was protected. He kind of took me under his wings and taught me about life throughout this horrible ordeal. He fought very hard for my innocence and we rightfully won. I have since taken his teachings and applied them to my own life. He made a huge impact on my life. I am a better man because of going through that, and it's because of John Sheehy. RIP John*

“ Thank you everyone for thinking of us and expressing kind words. As the youngest of eight children raised by our dear mother, John was not only a brother but a father. He was a fearless warrior and leader. He had nerves of steel and a giant heart. He taught me taught me many, many things. Most importantly, he always encouraged me in whatever I was doing, including pursuing education as an undergraduate and law student. His brilliant intellect kept me awestruck on many occasions. He devoured whatever subject matter or case drew his attention. We had many great times together fishing, golfing, or just carrying on as we loved to do when we could. When such a big heart leave us, it leaves a big void. We will all miss our brother dearly but his guidance and spirit will remain with us forever.

“ I had the privilege of working with John for 15 years and his passion for those he represented was unmistakable. On one such case during opening statements, I noticed him blinking his eyes quite a bit, and taking many pauses. After he was done opposing counsel asked for a mistrial on the grounds that attorney Sheehy was “crying”. The motion failed but he still laughed the next day when I brought him a box of Kleenex for any future “crying”. There will certainly be a huge void now for those who need a fierce advocate. I will think of him every time I see a yellow legal pad filled with notes from a red sharpy marker. Professor Sheehy is now teaching in a much better place and I look forward to “arguing” with him again.

“ Words cannot express how saddened I am to hear of John's passing. I was honored to be his paralegal for many years. His passion and spirit were contagious, but unmatched. He truly was "one of a kind." His generosity and compassion for his clients and his friends was completely genuine. He spoke so often of his family and would beam while talking about his three beautiful daughters. He was a very special person and holds a special place in my heart for helping my family through a very difficult time. He will be missed by so many. My thoughts and prayers are with the entire Sheehy family.

“ Kathleen, Marie, Ellen , Maddie and to the extended Sheehy Family:I am so saddend by the passing of a person who was my mentor and assummed the role of my big brother for the last 15 years. John and his family always warmly welcomed me when I was in Minneapolis. He was also the president and fearless leader of the trail lawyers club.John has always been there for me during times of celebration, my marriage and birth of my three sons, one of which carries his name, and in the times of sorrow. For that and many other things too numerous to mention I am forever grateful to John and the Sheehy family.I wish that I had the words to somehow comfort everybody in light of this sudden and tremendous loss, but I do not. I can only tell you what an impact John had on me not only as an attorney but as a person. Thank you for sharing John. I am better person.You will be in the Gott family thoughts and prayers. Please let me know if there is anything that I can do.

“ To the Family & Friends of John, I have had the privilege of working for and with John in what would have been 10 years this coming July. John was really a cool beans kinda of guy. His paella was simply deelyish. He seen him as a down to earth kind of guy. I loved his love for his fine automobiles. I knew John cared for me when I was going through my own personal dilemmas. He pulled me aside and get it together lady. What and how he told me, is what I needed. Thank you for that John. Thank you. His generosity was endless. From the little things to the big things. We all know John is going to missed by many. By his family especially, as well by his legal family and countless friends. We will always have John in our hearts. My deepest condolences to Kathleen and the girls and all that were touched by John. Love you John. I now know my mother has great Democratic friend in "The DFL in the Sky". Lisa ReinBlaine, MN

“ To John's family and friends: I went to the U of M law school with John and Kathleen and have fond memories of our short time together there. One of my fondest is John sharing his love of old maps, and his birthday gift of one to me. Although I am sorry that we lost touch after graduation, I have always treasured that map, not so much for itself as for its reminder of what a fine man gave it to me. May he rest in peace and may all his family and friends find comfort in this time of sorrow. Ron Wheeler U of M Law School Class of 1984

“ My heart goes out to the entire Sheehy family on the loss of this fine man and grand lawyer. I had been practicing for many years when John came on the scene and started achieving incredible results. I called him, on more than one occasion, and asked if he would share a transcript of a closing argument or two and other advice with this older lawyer. John was uniformly gracious in teaching me and others. His closing arguments were poetic. His great strength was that he was motivated from the heart. May he be greeted at the gate by St. Peter with the degree of love he shared with so many before he was taken from us.
