“ We were in the same 1958 Concordia Class. I always appreciated his Class '58 newsletter which kept all of us informed. God Bless, RIP

“ John was never afraid to ask the big questions! But he asked them in a kind and gracious manner--so much so, that I always felt obliged to think through things with him, rather than ignore the sharp point he was making. We talked about Luther and Lutherans often. We shared a love for Concordia--both the one in Moorhead and in St. Paul. We talked about the joy of membership in church and the fun of singing in choir. I trust that now his biggest questions have been answered. I grieve his loss.

“ I'll never forget the good times that John & I had walking around Lakes Harriet & Nokomis. I certainly missed that time when we moved to Dubuque.

Great times with a great guy.

What a great friend.

Rest in peace John.
