“ *Virginia, Jennifer and family, Brian and family, Jim and I send our heartfelt sympathy, We remember with smiles on our faces, conversations we had with John, farming the "Nuy" farm together where we sprayed cockleburs higher than the beans sometimes, playing cards and most often getting out bid by John, and then marveling how he would make the bid! We remember getting "reconnected" in Arizona and our conversations over breakfast at various restaurants. And we can't forget snowmobiling with the kids on the Minnesota snow. We will remember John and his big smile with fondness and love. Such good memories. How lucky we are to have shared in your lives, We are planning on coming on Saturday, but thought we may not get a chance to tell you how much he meant to us. Jim and Jeanine*
