“ Mr. Vojtech was one of the nicest most patient parents any of my friends had. Raising 3 boys he knew all the tricks to watch out for. The ice cream they had at the house was always plentiful when we were kids. I think he got it at work but they always had it. One time as a new driver I drove over to see Johnny at the house. The roads and side streets were a little slick that day. I turned the mini van into their driveway going a little too fast and started to slide off the side of the driveway. I ended up taking out this little 24” pine tree he had just planted that summer. I parked the car in the driveway, grabbed the pine tree that was now no longer planted and walked into the house with it. I never needed to knock at their house cause Barb and John always welcomed me. I carried the little tree over to Mr. Vojtech and told him I just took his tree out. He looked at me and just started laughing. 😂 That’s a testament to Mr. Vojtechs’ patience. We deer hunted with them and I was always one of their own kids. Great people. Mr. Vojtech you will be missed by so many!! My condolences to Bard, Johnny, Nathan, Justin, and all the family! RIP Mr. VOJ The world lost a great man, husband, and father.
