“ I went to X-Ray Technology School with Mary. She introduced my husband and I to Jack when we were looking for an engagement ring. What a wonderful man he was! So kind to us! We went back to see him several more times for jewelry over the years. He also helped some of our friends and family with wedding rings, etc. We send our deepest sympathy and prayers to your family. Thank you Mary for sharing your wonderful Dad with us!

“ Jack was such a wonderful man. I did not have the privilege of knowing him very long, but he loved his family so much. he worried about them and how they were doing. He and I had great conversations about his life in the service and how proud he was to serve on the Massey. i will miss you Jack and I will carry you in my heart always. Rest in peace.
