Jon loved to play! When he was young, he loved to play outside in the sandbox, swim, and jump on our trampoline. He loved his pets; our house was a zoo! He loved to go up to our condo on Mille Lacs lake and swim, fish, and ride the ATV! As he grew older, he loved his Xbox and all of the online games! He was a communicator! He loved life and family and friends.

Jon struggled when he was a teenager, but overcame all his troubles with the help of family and friends! He began a career at McDonalds and quickly moved up to Department Manager. Jon treated all the customers with the respect and dignity. He always looked for a way to show kindness to others. Jon's prayers were answered in early May when he got his dream job working at Federal of Anoka! Jon was knowledgeable about so many things; we don't even know where to begin! Farewell, our beautiful baby boy! Pray we may join you in Heaven some day, too!
