He always knew got to cheer me up and help me out of the darkest times I will hold close to me all the memories we made and and being blessed to have had such an amazing person as a friend! I'll never forget the matter night calls and visits to Help up when you come raid my kitchen at 2am and wake my ass up just to make food and talk never a dull moment. Or like this picture I posted was that time you killed my transmission on my brand new car yet seemed to make reverse work and drove it backwards down hwy 10 in middle of traffic to get it off the roAd lol 😂 I

“ My heart goes out to the jones family! The picture I added was the very first time I had ever met this wild and crazy but beautiful soul! Mind you I’ve never been on the back of a bike ever but Jones insisted I trust him. After that day I trusted him with my life! Him and I grew closer and closer over the years! He was not just my best friend he was my brother! He would help guide me when I had nobody. He will be dearly missed by so many. He touched everyone with so much love, laughter and kindness!! Until we meet again buddy!!
