

## Jonathan E. Kimball

March 18, 1970 - December 16, 2023

Kimball, Jonathan E.

Age 53, of Waconia, passed away December 16, 2023.

Preceded in death by his father, Commander Edward Kimball. Survived by his beloved wife of 31 years, Kimberly; their twin daughters, Megan and Molly; his mother, Carolyn; sisters Angela Goetzke and Char Kimball Steinke; nieces and nephews and countless friends.

Jon grew up in Southwest Minneapolis and graduated from Southwest High School. He attended Principia College in Elsah, Illinois and spent his career in the IT industry.

Jon's greatest joy was his family. He was happiest with his three girls - golfing, skiing, taking one of their many trips to the North Shore, Florida and their favorite, the Cayman Islands, or just spending time at home. He was passionate about whatever they were passionate about.

He was the best dad, doting on his girls and creating the ideal childhood for them with skating rinks and pools in the backyard, building them dollhouses, and participating in "Dads and Daughters" dance routines. He was the All-American dad.

Jon and Kim have a true love story and have been the very best of friends and support for each other through it all. He was the very best husband anyone could ever dream of.

He was a huge sports fan, particularly the Vikings, Gophers and T.B. 12 of the Patriots and Buccaneers. He made so many special connections through his various hobbies.

To know Jon was to love Jon. His ever-present smile would light up any room and his positivity was contagious to all those around him. He was always willing to lend a helping hand no matter what the task. His ability to make friends, and keep those friends over a lifetime, is a true testament to the man that Jon was. His faith was his compass, and he was a rock for his family's spiritual life and for his students in the Confirmation classes he taught at Mount Olivet.
