“ I knew Joe from Augustana Regent in Burnsville. He became a very good friend of mine. He taught me so much in the time I knew him: how to always think positive, see the glass overflowing no matter what life throws your way. He was truly my inspiration, and I will miss him more than words can express. But his positive attitude, warm smile and words of wisdom will never fade from me. We need more Joe Albarella's in the world. Truly an angel on earth who has now gained his angel wings. Fly high Joe...I will miss you so much, but I will never ever forget you!

“ Joe was one of the most loving, strongest and upbeat people I have ever known. He was an incredible contributor to the spirit and strength of the community at the Regent. I will miss him.
