

Joseph Milton Havlik

April 19, 1922 - October 5, 2020

Joseph Havlik, Passed away October 5th at the age of 98 years from Hopkins MN.

Preceded in death by his wife Marcella (Pat). Survived by sons David (Kristie), Douglas (Penny). Granddaughters and grandson: Sarah (fiancé Justin Smith), Lindsey (Trent) Palmberg, and Joseph (Joey) Havlik.

Joe was first and foremost a Christian. Joe worked for Northwestern Bell for over 40 years as an engineer. He then pursued his love of woodworking and set up a cabinet business. He was also very instrumental in helping his wife Pat in her real estate business. They always enjoyed going out for breakfasts and dinners to talk about Pat's real estate.

Joe had 3 ½ years of military service from 1942 – 1946, including active duty in Europe during WW2.

Joe was always helping those in need. He often made trips with cases of food from the grocery store directly to the local food shelf, especially when there was a strong need. Joe always thought about others before himself.

A special thank you to the tireless staff at Chapel View for keeping Joe comfortable and taking care of his needs.

A private family memorial service will be held, due to Co-vid restrictions.
