“ Hello Arlys,
I was so sorry to read your dad's obituary in the Mpls.newspaper today. Appreciated having lunch with you and him this fall @ Baker's Square. He was such a neat gentleman and I enjoyed reconnecting with him this past year. Many memories beginning with meeting him when he managed the Gamble store in Hopkins and our families lived next door to each other in New Hope. His family was so important to him as he shared stories of his and Marge's family times. Marge was a very good friend of mine. I will miss seeing Joe again. Last phone message was on the day he left for Texas saying we would connect for breakfast when he returned in the spring. He loved you all so much.
Much sympathy to you all.
