“ Dear Sharon and family, we are so saddened to see that Joe has gone to his eternal life. We read the grant county hearld paper at my sisters house in Milbank. We are not aware of the disease that Joe had and hopefully, he did not have to suffer for very long. It's been a long time time since we have seen you but Milbank was usually our meeting place at the train feat, etc. our prayers and thoughts are with you Sharon.

“ Sharon and Family. Our prayers and thoughts are with you during this difficult time. I hope you find peace and comfort with God's Grace. Sharon, you and Joe's friendship has always been special. Donna and I always enjoyed the visits at Wilmot homecoming banquets and Milbank Train Fests. Those are some good memories. I'm sorry we can't make it to the funeral, but I want to stay close to home with Donna just yet. May God Bless you and your family. Tim & Donna

“ *I met Joe when we worked together at NWA. Over the years, Joe planned several fun family adventures for a group that worked in the engine hospital. Joe was a very special person. He often spoke of how proud he was of his family and how he enjoyed his church activities.*

We will remember Joe's smile and gentleness.

Our thoughts and prayers are with Sharon and the Family.

*Sincerely,
Dennis and Sue Berry*
