“ I loved working a doing projects with Joe. He took spreadsheets to another level always with precision Exuberance. If there was a problem he would take it on and often say will he will have the solution in the morning. Never a discouraging word but often a correction with a laugh. Selficially I will miss that. I felt his kids won the Parent lottery , you could tell he loved them and was very proud of them. Thanks Joe and Cathy for sharing yourselves in your unique way a god given talent tirelessly lived. My Prayer Cathy will be comforted by the community they built together. Looking forward to his celebration of life.
